The Texas A&M University System

## Ground Operations Safety & Tree Planting Workshop

This one-day program is designed to introduce and reinforce good safety habits for those involved in routine or occasional ground operations related to tree and landscape management. Attendees will also learn to properly select and plant trees to enhance survivability and reduce future problems.

### Who should attend?

Parks and public works personnel, groundskeepers, landscapers, nurserymen, tree care personnel, and anyone who may work with trees.

### Instructor

Guy LeBlanc

Owner, Arbor Vitae Tree Care (Austin)

ISA Certified Arborist

TCIA Certified Treecare Safety

Professional
